

## In and Out of Love

Bon Jovi

Young and wired  
Set to explode in the heat  
You won't tire  
Cause baby was born with the beat  
Take you higher than you've ever known  
Then drive you down to your knees  
I'll pick you up when you've had enough  
You been burned baby lessons learned

In and out of love  
Hear what I'm sayin'  
In and out of love  
It's the way that we're playing  
In and out of love  
Too much is never enough  
She's gonna get ya

Running wild  
When me and my boys hit the streets  
Right on time  
She's here to make my night complete  
Then I'm long gone I got another show  
One more town, one mile to go  
One endless night of fantasy  
Is all she left of her with me

In and out of love  
Hear what I'm sayin'  
In and out of love  
It's the way that we're playing  
In and out of love  
Too much is never enough  
She's gonna get ya
