

# Let It Rock

Bon Jovi

The weekend comes to this town  
Seven days too soon  
For the ones who have to make up  
What we break up of their rules

Well I saw Captain Kidd on Sunset  
Tell his boys they're in command  
While Chino danced a tango  
With a broomstick in his hand  
He said: It's alright (alright) if you have a good time  
It's alright (alright) if you want to cross that line  
To break on through to the other side

Let it rock, let it go  
You can't stop a fire burning out of control  
Let it rock, let it go  
With the night you're on the loose  
You got to let it rock

We go down to the Broadway  
Where everybody goes  
To get on their rockin' horse  
And blast that radio  
Well I saw Roxie on the table  
Her girlfriend down below  
They'll give it to the king of swing  
Before it's time to go

They said: It's alright (alright) if you have a good time  
It's alright (alright) if you want to cross that line  
To break on through to the other side

Let it rock, let it go  
You can't stop a fire burning out of control  
Let it rock, let it go  
With the night you're on the loose  
You got to let it rock
