

# Misunderstood

Bon Jovi

1. Should I? Could I?

Have said the wrong things right a thousand times  
If I could just rewind, I see it in my mind  
If I could turn back time, you'd still be mine

2. You cried, I died

I should have shut my mouth, things headed south  
As the words slipped off my tongue, they sounded dumb  
If this old heart could talk, it'd say you're the one

I'm wasting time when I think about it

R: I should have drove all night,  
I would have run all the lights  
I was misunderstood  
I stumbled like my words,  
Did the best I could  
Damn, misunderstood

3. Could I? Should I?

Apologize for sleeping on the couch that night  
Staying out too late with all my friends  
You found me passed out in the yard again

You cried, I tried  
To stretch the truth, but didn't lie

It's not so bad when you think about it

R: I should have...

Intentions good

It's you and I, just think about it...

R: I should have drove all night,  
I would have run all the lights  
I was misunderstood  
I stumbled like my words,  
Did the best I could  
I 'm hanging outside your door  
I've been here before  
Misunderstood  
I stumbled like my words, did the best I could  
Damn, misunderstood  
Intentions good
