

Never Say Goodbye

Bon Jovi

1. As I sit in this smokey room
The night about to end
I pass my time with strangers
But this bottle's my only friend
Remember when we used to park
On Butler Street out in the dark
Remember when we lost the keys
And you lost more than that in my backseat
Remember when we used to talk
About busting out - we'd break their hearts
Toge ther forever

R: Never say goodbye, never say goodbye
You and me and my old friends
Hoping it would never end
Never say goodbye, never say goodbye
Holdin' on - we got to try
Holdin' on to never say goodbye

2. Remember days of skipping school
Racing cars and being cool
With a six pack and the radio
We didn't need no place to go
Remember at the prom that night
You and me we had a fight
But the band they played our favorite song
And I held you in my arms so strong
We danced so close we danced so slow
And I swore I'd never let you go
Together forever

R: Never say goodbye...

I guess you'd say we used to talk
About busting out we'd break their hearts
Together forever
