You can take back all your secrets  
We'll divide up all the lies  
Keep all the pictures in their frames  
Cut me out, yeah I'll be fine  
Tell the neighbours all my feelings  
Go on and give away all my pride  
It's hard to laugh and cry, live and die every night

Keep your rolodex of friends  
And all the remnants can be mine  
I guess there'll be no happy endings  
When once upon is doing time  
There's a different kind of meaning now  
To living on a prayer  
Some don't seem to notice  
And the rest don't seem to care

I tell myself I (feel no pain)  
But I'm feeling the pain (walk away)  
Can't walk away  
I'm hanging on the ropes of hope  
It's getting hard to cope you know  
When you're the needle running  
through my veins  
I've changed my name to novocaine

You put my favorite belongings in a box in the garage (let's get this straight)  
You burned my favorite sweats from high school  
Tried to sell my muscle car (that's not OK)  
You're mother's gonna visit for a couple months this year  
They say you do the crime, you do the time  
It's all so clear

I tell myself I (feel no pain)  
But I'm feeling the pain (walk away)  
Can't walk away  
I'm hanging on the ropes of hope  
It's getting hard to cope you know  
When you're the needle running  
through my veins  
I've changed my name to novocaine

Well things ain't what they used to be  
It's a sleepless, self-help century  
I'm up to here with Dr. Phil and the modern man in me

I tell myself I (feel no pain)  
But I'm feeling the pain (walk away)  
Can't walk away  
I'm hanging on the ropes of hope  
It's getting hard to cope you know  
When you're the needle running  
through my veins  
I've changed my name to novocaine

I tell myself I (feel no pain)

But I'm feeling the pain (walk away)  
Can't walk away  
I'm hanging on the ropes of hope  
It's getting hard to cope you know  
When you're the needle running  
through my veins  
I've changed my name to novocaine
