

## Prayer '94

Bon Jovi

Once upon a time  
Not so long ago

Tommy used to work on the docks  
Unions been on strike  
Hes down on his luck...its tough, so tough  
Gina works the diner all day  
Working for her man, she brings home her pay  
For love - for love

She says weve got to hold on to what weve got  
Cause it doesnt't't't make a difference  
If we make it or not  
Weve got each other and that's a lot  
For love - well give it a shot

Whooah, were half way there  
Livin on a prayer  
Take my hand and well make it - I swear  
Livin on a prayer

Tommys got his six string in hock  
Now he's holding in what he used  
To make it talk - so tough, it's tough  
Gina dreams of running away  
When she cries in the night  
Tommy whispers baby it's okay, someday

Weve got to hold on to what weve got  
Cause it doesnt't't't make a difference  
If we make it or not  
Weve got each other and that's a lot  
For love - well give it a shot

Whooah, were half way there  
Livin on a prayer  
Take my hand and well make it - I swear  
Livin on a prayer

Weve got to hold on ready or not  
You live for the fight when it's all that youve got

Whooah, were half way there  
Livin on a prayer  
Take my hand and well make it - I swear  
Livin on a prayer
