

## She's a Mystery

Bon Jovi

She won't let me buy her jewelry  
She don't want things that she can keep  
She wears wildflowers in her hair  
Then throws them in the sea  
She's the beginning and the end of me

She's a mystery  
My most beautiful regret  
I will never understand her  
She's a mystery  
The only promise I can keep  
Even in my dreams she ruins me

I still don't know what to call her  
She says that words don't mean a thing  
She changes her name every day  
And lies all the time  
I feel lucky to call her mine

She's a mystery  
My most beautiful regret  
I will never understand her  
She's a mystery  
The only promise I can keep  
Even in my dreams she ruins me

She's anything in the world  
That you cannot explain  
But when she throws me a smile  
It's fire in the rain

She's a mystery  
My most beautiful regret  
'Cause she's a mystery  
The only promise I can keep  
Even in my dreams she ruins me

She's a mystery  
There's no defense  
It's innocence  
But she won't let you see  
'Cause she's a mystery
