

# Someday I'll Be Saturday Night

**Bon Jovi**

Hey man I'm alive I'm takin' each day and night at a time  
I'm feelin' like a Monday but someday I'll be Saturday night

Hey my name is Jim, where did I go wrong  
My lifes a bargain basement, all the good \*\*\*s gone  
I just cant hold a job, where do I belong  
Im sleeping in my car, my dreams move on

My name is Billy Jean, my love was bought and sold  
I'm only sixteen, I feel a hundred years old  
My foster daddy went, took my innocence away  
The street life aint much better, but at least I get paid

And Tuesday just might go my way  
It can't get worse than yesterday  
Thursdays, Fridays aint been kind  
But somehow I'll survive

Hey man I'm alive I'm takin' each day and night at a time  
Yeh Im down, but I know I'll get by  
Hey hey hey hey, man gotta live my life  
Like I aint got nothin' but this roll of the dice  
Im feelin' like a Monday, but someday I'll be Saturday night

Now I cant say my name, and tell you where I am  
I want to roll myself away, dont know if I can  
I wish that I could be in some other time and place  
With someone elses soul, someone elses face

Oh\_\_ Saturday night Here we go  
Some day I'll be Saturday night  
I'll be back on my feet, I'll be doin alright  
It may not be tomorrow baby, thats OK  
I aint goin' down, gonna find a way, hey hey hey

Hey man I'm alive I'm takin' each day and night at a time  
Yeh Im down, but I know I'll get by  
Hey hey hey hey, man gotta live my life  
Like I aint got nothin' but this roll of the dice

Im feelin' like a Monday, but someday I'll be Saturday night  
Im feelin' like a Monday, but someday I'll be Saturday night
