

## Something to Believe In

Bon Jovi

I lost all faith in my God, in his religion too  
I told the angels they could sing their songs to someone new  
I lost all trust in my friends  
I watched my heart turn to stone  
I thought that I was left to walk this wicked world alone

Tonight I'll dust myself off  
Tonight I'll suck my gut in  
I'll face the night and I'll pretend  
I got something to believe in

And I had lost touch with reason  
I watched life criticize the truth  
Been waiting for a miracle  
I know you have too

Though I know I won't win  
I'll take this one on the chin  
We'll raise a toast and I'll pretend  
I got something to believe in

If I don't believe in Jesus, how can I believe the Pope  
If I don't believe in heroin, how can I believe in dope  
If there's nothing but survival, how can I believe in sin  
In a world that gives you nothing  
We need something to believe in

If I don't believe in Jesus, how can I believe the Pope  
If I don't believe in heroin, how can I believe in dope  
If there's nothing but survival, how can I believe in sin  
In a world that gives you nothing  
We need something to believe in
