

# Thank You For Loving Me

Bon Jovi

1. It's hard for me to say the things  
I want to say sometimes  
There's no one here but you and me  
And broken old street lights  
Lock the doors  
We'll leave the world outside  
All I've got to give to you  
Are these five words when I

R: Thank you for loving me  
For being my eyes  
When I couldn't see  
For parting my lips  
When I couldn't breathe  
Thank you for loving me  
Thank you for loving me

2. I never knew I had a dream  
Until that dream was you  
When I look into your eyes  
The sky's a different blue  
Cross my heart  
I wear no disguise  
If I tried, you'd make believe  
That you believed my eyes

R: Thank you...

You pick me up when I fall down  
You ring the bell before you count me out  
If I was drowning you would part the sea  
And risk your own life to rescue me

(solo)

Lock the doors  
We'll leave the world outside  
All I've got to give to you  
Are these five words tonight

R: Thank you...

When I couldn't fly  
Oh, you gave me the wings  
You parted my lips  
When I couldn't breathe  
Thank you for loving me
