

Undivided

Bon Jovi

1. That was my brother lost in the rubble
That was my sister lost in the crush
That was our mothers
Those were our children
That was our fathers
That was each of us

*: A million prayers for the God above
A million tears make an ocean of

R1: One for love
One for truth
One for me
And one for you

2. I've had spirit they couldn't ruin it
I've had courage in the smoke and dust
I've had faith in the songs of silenced
Deep down it's bringing down each of us

*: Yeah, yeah yeah yeah yeah

R2: One for love
One for truth
One for me
And one for you
Where we once were divided
Now we stand united
We stand as one
Undivided

*: How many hands
How many hearts
How many dreams
Been torn apart
The time has come to rise back up

R3: One for love
One for truth
One for me
And one for you
Where we once were divided
Now we stand united
We stand as one
Undivided
Undivided,
Undivided

R2: One for love...
