

## (You Want To) Make A Memory

Bon Jovi

1. Hello again, it's you and me  
Kinda always like it used to be  
Sippin' wine, killing time  
Trying to solve life's mysteries

How's your life, it's been awhile?  
God it's good to see you smile  
I see you reaching for your keys  
Looking for a reason not to leave

\*: If you don't know if you should stay  
If you don't say what's on your mind  
Baby just breathe  
there's nowhere else tonight we should be

R: You wanna make a memory?  
You wanna steal a piece of time?  
You can sing the melody to me  
And I can write a couple lines  
(2x)

You wanna make a memory? (2x)
