1. Hello again, it's you and me Kinda always like it used to be Sippin' wine, killing time Trying to solve life's mysteries

How's your life, it's been awhile? God it's good to see you smile I see you reaching for your keys Looking for a reason not to leave

- *: If you don't know if you should stay
 If you don't say what's on your mind
 Baby just breathe
 there's nowhere else tonight we should be
- R: You wanna make a memory?
 You wanna steal a piece of time?
 You can sing the melody to me
 And I can write a couple lines
 (2x)

You wanna make a memory? (2x)
