

## Forget The Image I Got A Heart

Bondage Fairies

So you think that you love that fragile voice?  
Actually, you're possessed by a demon called love

She was the one I wanted,  
what I wanted at twenty-one  
Blue hair and lipgloss  
and killer eyeliner

I kept the note in my pocket  
that was meant for her  
I never dared to hand it over  
in case she turned me down

So you think that you love those skinny legs?  
Actually, you're possessed by a demon called love

She was the one I wanted,  
what I wanted at twenty-one  
Blue hair and lipgloss  
and killer eyeliner

I kept the note in my pocket  
that was meant for her  
not too short but, I like to think that,  
that she hates me now
