

It started like a plague  
a multi colored nightmare  
1000 080 posts  
but still theres no solution

we have our online needs  
just like a drug addiction  
i guess we'll never know  
why we get nv4

display driver has stopped working normally  
somethings stuck in a loop of infinity  
save your work and reboot the system  
to restore full display functionallaty
