

## Parasitic Infection

**Bonded By Blood**

Welcome to the indefinite continuation of life  
A risk to civilization no one was made to survive  
Humanity will be destroyed  
Global pandemic will be deployed  
Abandon all your resistance  
No one is found alive  
Agents will spread easily  
Hemorrhage to your brain  
Parasitic infections  
Viral disease can't be contained  
Antibiotic resistance  
Eradication has failed  
Re-emerging the venom  
Causing millions of deaths worldwide
