## Bone Thugs-N-Harmony

Yeah Bone Thug in this mutha whaa whaa whaa  
Yeah Big Wish in this muthafucka what's up my nigga and  
Lil Lay I love you nigga  
and you know what I'm sayin KB probably rummin around here gettin some  
haah tot tot tot tot tot You know what it is My niggas we bout to go all the  
way

(All the way)  
And we gone make it to the top of the stage  
From the cradle to the grave  
(All the way, all the way, all the way, all the way  
All the way)

You willin to test the flesh oh yes  
But don't even stress what you heard  
Cuz nigga Bone Thugs together forever splittin apart is absurd  
I wish they'd stop wit all of these rumours  
Cuz we ain't goin nowhere baby  
This is for life..  
(All the way)

Bless this seed gotta know where I come from  
And you'll sell me ain't going back where I come from  
Been blessed with division and when we speak they listen  
Well nigga you asked we look and we laugh  
Depleted 50% of that mission right in that hand  
(All the way)

Now nigga we did we went and we got  
We did it alone by ourselves  
Little help from E eternal we will him will neva forget him  
Know now for wealth  
Stood our ground and we put this down  
It'll be my niggas we out on the grind  
Together forever still one of a kind  
Got love for the thugs that grind  
(All the way)

They tellin me I was the one that was shoot up  
And neva got 50/50 then we fillin em  
Offer the rhythm and minimum gettin em  
'member the neva surrender  
Now ladies and gentlemen I don't want anymo problems  
Gentlemen let's get paid to party  
Givin em sumthin make it feel Bone Thugs-N-Harmony  
(All the way)

(All the way)  
And we gone make it to the top of the stage  
From the cradle to the grave  
(All the way, all the way, all the way, all the way  
All the way)

It's Charles, Bryan, and Steven, Anthony and Stanley  
Nigga this family and yes we are the only thugs with Grammys  
Mash the gigglin jigglin swervin and ribbonin  
And while they crackin up off me

I must be invincible wit Bone Thugs-N-Harmony  
(All the way)

In this world I'm simply tryna get rich and make a livin'  
I ain't really trippin on no fancy cars or nasty broads  
Even though a nigga do be dippin'  
I keep my heat in my lap where I can reach it and pap  
(All the way)

This for makin pushes outta the bushes  
And makin these hits stay move the streets  
Rebels and warriors all ova the globe  
Find their souls and rock these beats  
Maybe to me that's more than money  
Better than anything I could imagine  
All of ya souljahs keep on smashin  
We could chill in the hood look mansion ansion  
(All the way)

Everythings gone be a little nicer  
Put your load on got a little lighter  
Got rid of these bustin these hoes  
But I must admit it gave me somethin' to write ya  
And that's all believe dog  
Ain't goin to the bottom wit yall  
Nah and i wish of yall could see us bring  
(All the way)

(All the way)  
And we gone make it to the top of the stage  
From the cradle to the grave  
(All the way, all the way, all the way, all the way  
All the way)

Hey yo well lil nigga this Bone Thugs  
Shoulda know by now we niggas for life  
Pullin triggers for life  
Gettin figures for life  
Bigger than big and larger than life  
Like Jeffrey Osbourne way back in the day  
Better believe me when I tell you dog  
We goin all the way

How to bail me now better stoppin the psycho  
Then slew they  
Straight outta the foster home in Cleveland I escaped the Juve  
And a little jury and a strong ass army  
Been makin money since niggas was doin they fed time  
(All the way)

Hey Mr. K. Ceiling do you know sumthin's wrong  
Top of the line with the realest of thugstas  
Ten years and they thought we'd be gone  
But Oh No, soon as that little nigga Eazy  
Let us put our foot in that door  
We mashed we did we dashed  
We did whateva till we get that dough  
(All the way)

They know that we known for doing it  
For can a thug is the street That'lil Eazy-E  
But its on I keep tellin this niggas there'll neva be anotha Bone  
If you goin this way you could go wit Kray

Cuz we (goin.....)  
(All the way)

(All the way)  
And we gone make it to the top of the stage  
From the cradle to the grave  
(All the way, all the way, all the way, all the way  
All the way)

That's right nigga Bone Thugs N Harmony up in this muthafucka 2002  
I ain't gone say we back cuz we neva left this muthafucka  
Really.  
All the way...
