

Buddah Lovaz

Bone Thugs-N-Harmony

Shit

Nigga, it's the niggas night out tonight, nigga
(Howling)

Keep hittin' that reefer, sendin' me straight to heaven
Keep rollin', smokin', and chokin'

Buddah lovaz
Gotta learn to smoke the Buddah

I'm so glad you showed me, Krayzie, Layzie, Wish, Flesh

Reefer really makes me happy

Hydro, me just can't let a me high go
Me smokin' upon that hydro
Me just can't let a me high go

Smo-, smo-, smokin' that hydro
won't, won't let a me high go
Water the reefer, me slaughter
Straight to Ziowski to get me a sack
A sack, a sack, a sack
It grew in the water, the reefer, me slaughter
Straight to Ziowski to get me a sack, a sack, a sack
It grew in the water
Straight to Ziowski to get me a sack, a sack, sack

I'm takin' a hit of the bud, gotta give love to my thugs
Smokin', not chokin', now what?

I'm fucked up
That hydro really got me buzzed, me buzzed

Keep rollin', (smokin',) and chokin'
Nothin' but the Bone in me

Me puttin' me casing up into me trunk
Box of blunts, come get drunk
Me puttin' me casing up into me trunk
Sack of skunk, come get drunk

It's sneakin' upon me
Wine
Follow me down the nine-nine
and you will find all of me kind every time

Drinkin' me wine, double your crime
When a me roll down the nine-nine
A stream of bullets and unload
With a me right way down your

Buddah
Choke up with a me buddah
Smoke jump outta me buddah

Hittin' that hydro, lettin' me school ya

Oh, that buddah in your lungs and up
That buddah fool ya

It's nothin' but the Bone in me
Hey, keep hittin' that reefer sendin' me straight to heaven

If ya got a bag of tweed, well, blaze it with me, fool

Thuggin' with me trues, swiggin' on brews
Steady be losin' me balance

It's a Bone thang how a nigga like me smoke and maintain

Maintain, maintain
