

Change The World

Bone Thugs-N-Harmony

Raising hustlers, thieves and prostitutes
Young homie, think before you shoot, murderer
Where will our children go
When there's no place safe where they can go

And trouble may come and sometimes
You'll get pulled over by one-time
And when the 1999 rewinds, you didn't even make any strides
Murder all around the whole world, it's nauseatin
Everybody's hating everybody, overrated
Why everybody acting agitated, I thought we graduated
Back in the saddle waiting, aboard the battle station
Hating is a birth defect and you know ain't nobody perfect
And when the curtains, close open up the door, no more

See we loosing this world we love
And it looks like the sinning won't end
So I'm reaching high up above
Lord, let your blessings begin

And let's change the world, and let's change the world (4x)

It got me ready to set off the riot
Riding with my Trues Humbly United Gathering Souls
Here we go, roll up some more Phillies
My nigga let me hit it
Niggas we thugs and immortalized, let's get high
It's them niggas you most desire
I can remember from way back in the day
Coming up out the ghetto was a hell of a struggle
From selling the fiends llello
But it was my dream to kick flows and put my people on another level
Now could it be for the lust (lust)?
Could it be for the rush (rush)?
My niggas love when they bust
They steady buck and they duck
They put your dick in the dust
My niggas creeping on a come up
Come up nigga, killer, thuggish ruggish nigga
Nigga, finna' descent into the dawn of a new millennium
Anticipating life without Satan hating,
and all enemies to hell, I'm sendin them

And let's change the world, and let's change the world

Everyday the devil at me
And I wish the Lord throw a Hummer at me, I ain't happy
Me and Eazy E in a B-E-N-Z, with my niggas right next to me
It's my legacy, we can't let it stop, uh uh, not now
The whole world ending up in buck-buck-pow
Corruption, destruction, disaster
Everybody tryna rap faster than the master
Oh Lord, could you save my soul?
Nigga tryna go platinum 'round 40 years old
The Lord know we can do this shit
It ain't no stoppin us now 'cause we can prove this shit
Nigga me, Stew D, PD, Freaky G

The whole world wanna be riding with me
I'm in the flesh, let's talk about sex
Babies having babies, Generation X
With the AIDS epidemic, we ain't pure no more
And I know they gotta cure for this shit, we ain't rich
First we lost Eazy, then we lost Pac
Biggie got killed, when this shit gonna stop?
Everybody wanna know what's goin on
with the thuggish, ruggish, Bone, Bone, Bone, Bone
Tryna' get prepared for the Y2K
And if I don't die today, I'm gonna try an change the world

And let's change the world, and let's change the world (2x)

You need a lesson you can learn from rapping
But they try an ban it, realize that it ain't gonna happen
We done changed the world
Ghetto voices being heard and failed
You know it's funny. I got my guns, better arm yourself
Most don't have a clue, if it goes down what to do?
Don't you know this government ain't built for me and you
I have a dream, no, I have a wish
If we can't save ourselves, then let's save the kids
Let the world go, let these babies have somethin
Let the world go, just don't blow this motherfucker up
You kill him, he'll kill you
Some say it stupid but violence really lives where I come from
Hungry little kids where I come from
Judge not me where I come from

See we loosing this world we love
And it looks like the sinning won't end
So I'm reaching high up above
Lord, let your blessings begin

And let's change the world, and let's change the world
