## Get Up & Get It

## **Bone Thugs-N-Harmony**

You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get up, get up, get up and get it) You gotta get up, get up, get up, get up

Get up and get something

It's all about money ain't nobody frontin' I gotta go get it we gotta survive Whether it's workin' a nine-to-five Or ridin' the hustle I gotta get mine, bottom line Most of my time I'm out here puttin' in work For all of my days that I run this earth I'ma make it count for what it's worth You never know about this life and the type of pain that it can bring That's why you gotta get off of you're thing cuz it ain't no dream and it ain't no game We so serious, dogg you know it don't stop I know time is the devil's workshop

See I do it I did it And y'all know that I'm wit it I'll give anything for passin' and take to it back A hustlin' little brother with crack But now I grind a little bit harder Harder my niggaz stories in order See, it was hard for me momma My mother dropped in the water My sister was damn fast, Heather was right behind ya Cassie, that's my little sister My father loved you like the only child Funny, he ain't never seen my smile

You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get up, get up, get up (Get up, get up, get up, get up, get up

You betta get on yo grind You betta go get it if you really tryin' to shine You betta be keepin' yo eyes on your prize at all times Keepin' it real for my all of my thugs in the projects The niggaz that ain't got shit Not havin' this nonsense my niggaz My momma said, boy if you ever wanna be anything Get off the couch and out my house, use your brain So I took heed and I jumped right up on my feet Got off the streets and I'll be In heat I'm laughing at police now Coming to you like this This used to be child Is now a grown man Don't play with the wrong hand But I never could quit cuz I'm playin' a strong man Everybody got a point to prove you might as well start today Rather than puttin' it off tomorrow You're lettin' it slip away Lil' Lay, I parle And get paid, and that's all And I creep and I rise In yo eyes I still ball And stand tall with my chest And my cheek to the sky I'm in it to win it my nigga believe it until the day that I die So come on

You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get up, get up, get up (Get up, get up, get up, get up, get up

Anything you want, anything you need You gotta get it, yeah and go get it Ain't comin' to you, you gotta put in your dues Show the world that you can do it Don't let nobody hold you back So you betta get your hustle on Baby betta get your hustle on You betta

We some of the livest, you know True thugs don't really mind to riot, let it go They sayin' get up and get it Yes we went and did it You won't admit it Cuz you hatin' cuz you can't get it Every since I was a young thug Been creepin' showin' mo' love Even when I got it you best to give it up It's Cleveland, until we get what we want we ain't leaving This is what we want with no chumps, please believe it

You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get out and get something (Get up, get up, get up, get up, get up and get it) You gotta get up, get up, get up, get up (Get up, get up, get up, get up, get up (Get up, get up, get up, get up, get up and get it) (2x)

3-L-Dub get they hustle on Gotta get the cheese in the lab A collabo with Bone Begging on my knee Gettin' money till we flooded with ice Nigga it's freeze 3-L-Dub is goin' coast to coast We family 3-L-Dub get they hustle on Gotta get the cheese in the lab A collabo with Bone Begging on my knee Gettin' money till we flooded with ice...
