Got no love for the Law-But I shed blood for my dog

I've been tryin ta gather my niggaz from battle
We outta control we can't be handled
We sick of police and these scandals
44. Magnums bust'en at random at em
In the Middle of the Chaos
Tell'em we bust'en our shit at the mayor
If he get caught up there's nothing ta save ya
Gauge a spray ya break ya down to were
In front of the parkin lot
I'm murderin niggas that point to shoot it
If it aint black owned than we loot it
Burn this bitch down, lets do it
We ain't marchin' we ain't talkin'
We keepin' an eye on the target
So as soon as the shit get started
We gone poppop papop that riot
Pumpin that Violence-ee (Violence)
POPO don't want peace
They want this robot in the streets with me and my T.H.U.G's
