

Bahama Mama

Boney M

R1: Bahama, bahama mama
Got the biggest house in town bahama mama
Bahama, bahama mama
But her trouble's getting down bahama mama

1. She has six daughters
And not one of them is married yet
And she's looking high and low
And none of them plays ever hard to get
So if you're lonesome go there go

R2: Bahama, bahama mama
You should all be looking for bahama mama
Bahama, bahama mama
And I'm sure you will adore bahama mama

R1: Bahama, bahama mama...

2. You'll meet her daughters
They 'll be treatin' you to honeycake
They'll be sweet and nice to you
And maybe there is one you'd like to take
Well then you'll know just what to do

R3: Bahama, bahama mama
She is really in a fix bahama mama
Bahama, bahama mama
Being stuck with all them six bahama mama

*: What's the matter with men today

Six beautiful roses
And nobody to pluck them
It's a crying shame

R1: Bahama, bahama mama...

3. The thing is each of them looks
Like a gorgeous movie queen
Every one a perfect find
And if a man refused that temptin' scene
He simply can't make up his mind

R1: Bahama, bahama mama...
