Never know how much I love you Never know how much I care When you put your arms around me I get a fever, that's so hard to bear

You give me fever, when you kiss me Fever when you hold me tight Fever, in the morning Fever all through the night

Sun lights up the daytime
Moon lights up the night

And I know I'm gonna treat you right

You give me fever, when you kiss me Fever when you hold me tight Fever, in the morning Fever all through the night

Everybody gots the fever That is something you all know Fever isn't such a new thing Fever started long ago
