Music is a mirror Near around my soul Music is the spirit Come on let it roll Music is my nature People have you heard Music is my future Music is the world Let it all be music People sing a song Let it all be music Let us sing it on and on and on and on Let's play the music My kind of music Let's play the music Play it on Let's play the music My kind of music Let's play the music Play it on and on and on Music isn't somewhere Music turns you right Music is a fever Leads you day and night Music is like heaven Where you wanna be Music is religion Music sets you free Let it all be music People sing a song Let it all be music Let us sing it on and on and on and on Let's play the music My kind of music Let's play the music Play it on Let's play the music My kind of music Let's play the music Play it on and on and on Music is tomorrow Music is today Music is forever Music is the way Music is for women Music is for men Music is for children Sing it all again Let it all be music People sing a song Let it all be music

Let us sing it on and on and on and on

Let's play the music
My kind of music
Let's play the music
Play it on
Let's play the music
My kind of music
Let's play the music
Play it on and on and on

I can feel it, in  ${\rm my}\ {\rm soul}$ I can feel it, in my heart Sweet sweet music music Sweet sweet music sweet music play it on play it on my my my my kind of music play it play the music my my my my kind of music play it I said play it on and on and on music
