

# Todos Buenos

Boney M

Oh, todos buenos  
Oh, todos buenos  
Oh, todos buenos  
Oh, todos buenos

Come together everywhere  
Celebratinos in the air  
Todos buenos

There's a-something going on  
An action's getting strong  
Todos buenos

Every angle in the street  
It's a union of the beat  
Todos buenos

And sensation in the crowd  
And the music's getting loud

Todos buenos

Oh, todos buenos  
Oh, todos buenos

Spirits flying high together  
Joining in the song we made  
We can reach the stars we're on our way  
Union brings the sound of music in the Brotherhood of man  
Voices singing out as one again

Oh, todos buenos  
Oh, todos buenos  
Oh, todos buenos  
Oh, todos buenos

Come together everywhere  
Celebratinos in the air  
Todos buenos

There's a-something going on  
An action's getting strong  
Todos buenos

Every angle in the street  
It's a union of the beat

Todos buenos

And sensation in the crowd  
And the music's getting loud  
Todos buenos

Spirits flying high together  
Joining in the song we made  
We can reach the stars we're on our way  
Union brings the sound of music in the Brotherhood of man

Voices singing out as one again

Spirits flying high together

Joining in the song we made

We can reach the stars we're on our way

Union brings the sound of music in the Brotherhood of man

Voices singing out as one again
