

## Back To You

Bonfire

Another rainy day - I think I'm gonna run away  
This time I'm sure  
Another bill to pay - 9 to 5 like every day  
Workin' hard to be poor

I'm tired of walkin' these streets  
I'm tired of livin' a lie  
I'm tired of sleepin' alone  
I'm tired of wasting my time

This time I'm sure - I'm gonna run away  
I'm comin' back to you  
This time I'm sure - I've gotta hit the train  
I'm comin' back to you again - Back to you again

Another lonely night - And just another TV-show  
Playin' tricks on my mind  
Another letter to write - telling you I miss You  
so how could I be so blind

I'm tired of life without you  
I'm tired of sayin' good-bye  
I'm tired of dreaming alone  
I just wanna be back in your arms

This time I'm sure - I'm gonna run away  
I'm comin' back to you  
This time I'm sure - I've gotta hit the train  
I'm comin' back to you again - Back to you again

I'm tired of walkin' these streets  
I'm tired of livin' a lie  
I'm tired of sleepin' alone  
I'm tired of wasting my time

This time I'm sure - I'm gonna run away  
I'm comin' back to you  
This time I'm sure - I've gotta hit the train  
I'm comin' back to you again - Back to you again
