

Damn You

Bonfire

You did your homework
and you smell like a rose
I was a fool to believe you
You told me I was - all you'd ever need
I found that nothing is true
I'm cryin' in the night
I'm branded deep inside
No more final try
Enough is enough
I'm through with your love
Damn you - I don't want it no more
Damn you - it's over
Damn you - and don't you knock on my door
Damn you - Damn you - Damn you
No more excuses
no other pack of lies
'cause you've been caught red handed
Won't show no mercy
on your copycat crimes
I just leave you - oh - so stranded
Don't want you here to stay
another second of a day
Nothin' left to say
Enough is enough - I'm all out of love
Damn you - I don't want it no more
Damn you - it's over
Damn you - and don't you knock on my door
Damn you - Damn you - Damn you
You were playin' games with my heart
Deceivin' me - and cheatin' me
Almost tore it all apart
but finally I'm free
Damn you - I don't want it no more
Damn you - it's over
Damn you - and don't you knock on my door
Damn you - Damn you - Damn you
