

## Too Much Hollywood

Bonfire

Well I don't miss your Scarlet kiss  
'cause I put you on my drop dead list  
I couldn't stand it no longer  
You wrapped your little lies so fine  
Like in a Hitchcock storyline  
where the good guy's always stronger  
Girl I've seen that movie  
Didn't know you wrote the script  
Bad girl - you're no good  
'cause you're too much Hollywood  
Oh - you're just smoke without a fire  
Bad girl - this time  
I won't waste my Valentine  
Oh - I was hungry with desire  
I was badly cast in your love affair  
I had the minor role of Mr. Unaware  
The start of shooting was dynamite  
But the happy end  
got out of sight  
and out of copyright  
Based on the novel of a bad girl  
I just take this Golden Globe for me yeah  
Bad girl - you're no good  
'cause you're too much Hollywood  
Oh - you're just smoke without a fire  
Bad girl - this time  
I won't waste my Valentine  
Oh - I was hungry with desire  
All you did and said  
is still on screen in my head  
But finally my heart decided  
I don't watch that movie anymore  
Like I did before - no
