

Under Blue Skies

Bonfire

Who'll be a beggar and who'll be a queen
Who'll be a coward and who a Marine
Who'll be a poor man and who a millionaire
Who'll be a man in despair
Under blue skies - we all play the game
But in God's eyes - we are all the same
Who'll be a Nazi and who'll be a Jew
Who'll be a White man and who'll die like a Sioux
Who'll be the president of the US of A
Who'll be a sinner or saint - I just say
Under blue skies - we all live in chains
But in God's eyes - we remain the same
