

# Somebody

Bonnie McKee

I sit alone  
Dark theatre, watchin' the people go by  
Hand in hand  
Everybody but me  
Oh

I stay behind  
Watchin' the credits roll by  
Roll roll roll right by me

I know, I won't cry  
Cause there is somebody somebody somebody waitin' for me  
Out in the rain

Won't cry  
Not tonight  
Because there is somebody waitin' for me  
Oh yeah

I take a walk  
The streets are busy tonight  
And I am searching for you  
Waiting to brush your shoulder  
But I'm alone  
I watch the faces roll by  
Roll roll roll right by me

But I know, I won't cry  
Cause' there's somebody somebody somebody waitin' for me  
Out in the rain

Won't cry  
Not tonight  
Because there is somebody waitin' for me

How many words will go unspoken  
'Til I hear knockin' upon my door  
Losing track of the nights I spent heart broken  
But tonight I know  
I won't cry no more  
Oh

I lie awake  
I left the porch light on  
I hope it helps you to find your way  
Outside  
I hear the thunder roll by  
Roll roll roll right by me

But I know, I won't cry  
Cause' there is somebody somebody somebody waitin' for me  
Out in the rain  
Not gonna cry tonight  
No cause there is somebody waitin' for me  
Not gonna cry tonight  
No  
No no no no

Oh  
Not gonna cry  
Not tonight cause there is somebody waitin' for me

I stay behind  
Watchin' the credits roll by  
Roll roll roll right by me
