

# Silence

BONNIE PINK

Silence  
You smoke in silence  
Tippling and glazing, high and dry  
Silence  
Yes, she's gone  
Without so much as looking back

Silence  
I knew your end  
Doesn't matter to me where you go  
But I want you to know  
That silence ain't so bad

Silence  
You bite at silence  
Don't wanna be eaten by  
Silence  
Yes, you're alone  
Without a word, within you're crying

Silence  
You fight in vain  
Doesn't matter to me what you do  
But I want you to know  
That silence ain't so bad

Silence  
I live with silence  
Shading you and absorbing your sigh  
Silence  
Yes, I was born and bred in silence

Silence  
I'm not insane  
Doesn't matter to me how you think  
But I want you to know  
That silence ain't so bad
