

Silence

BONNIE PINK

Silence
You smoke in silence
Tippling and glazing, high and dry
Silence
Yes, she's gone
Without so much as looking back

Silence
I knew your end
Doesn't matter to me where you go
But I want you to know
That silence ain't so bad

Silence
You bite at silence
Don't wanna be eaten by
Silence
Yes, you're alone
Without a word, within you're crying

Silence
You fight in vain
Doesn't matter to me what you do
But I want you to know
That silence ain't so bad

Silence
I live with silence
Shading you and absorbing your sigh
Silence
Yes, I was born and bred in silence

Silence
I'm not insane
Doesn't matter to me how you think
But I want you to know
That silence ain't so bad
