I See A Darkness

Bonnie 'Prince' Billy

Well, you're my friend and can you see Many times we've been out drinking And many times we've shared our thoughts Did you ever, ever notice the kind of thoughts I got?

Well, you know I have a love A love for everyone I know And you know I have a drive To live I won't let go

Could you see it's opposition Comes rising up sometimes? And it's dreadful [Incomprehensible] Comes blacking in my mind

And then I see a darkness And then I see a darkness And then I see a darkness And then I see a darkness

Did you know how much I love you? Is there hope that somehow you Can save me from this darkness?

I hope that someday, buddy we'll have peace in our lives Together or apart, alone or with our wives We can stop our whoring and pull the smiles inside And light it up forever and never go to sleep My best unbeaten brother, this isn't all I see

I know, I see a darkness I know, I see a darkness I know, I see a darkness I know, I see a darkness

Did you know how much I love you? Is there hope that somehow you You, can save me from this darkness?
