

## What Are You

Bonnie 'Prince' Billy

What are you waiting for if not for me  
What are you waiting for it must be me

To take you over my knee  
And spank you mercilessly  
I can do that oh you'll see

And everyday will be like free  
And sleep adventure you will see  
And I'll have and you'll have me

On a bench with your twisted fingers in me  
In the rain with my sundress torn off of me  
Sliding down grassy slopes where we can be alone

You say I am evil You know that I'm stupid  
I don't appear given And I don't appear lucid  
Yet I give you all  
The truth is I give you everything
