

# Come On, Give Me Loving

Bonnie Tyler

I need you at the midnight hour  
I need you when the lights go down  
I can't get over the fact  
That I need you, come back  
'Cause it's driving me crazy  
I need you in the morning rain  
I need you and it's getting late  
I can't get enough of your love  
'Cause enough of your love  
Oh, I can't do without it

Come on, come on and give me loving  
Come on, to me  
Well, come on, come on  
And give your love to me  
Come on, come on and give me loving  
Come on, to me  
Well, come on, come on  
And give your love to me, oh yeah

I need you and I can't let go  
I need to feel your loving flow  
I can't get over the truth  
No, I don't want to lose  
All the feeling you gave me

I need you at the midnight hour  
I need you when the lights go down  
I can't get over the fact  
That I need you, come back  
'Cause it's driving me crazy  
Come on, come on and give me loving  
Come on, to me  
Well, come on, come on  
And give your love to me

I need you and I can't let go  
I need to feel your loving flow  
I can't get over the truth  
No, I don't want to lose  
All the feeling you gave me

Come on, come on and give me loving  
Come on, to me  
Well, come on, come on  
And give your love to me yeah, oh, yeah  
Come on, come on and give me loving  
Come on, to me  
Well, come on, come on  
And give your love to me, oh yeah...
