

Crying

Bonnie Tyler

Damn these tears you're on my face
wish they'd just wash away but degolas keep on running
damn this pain went on my chest
feels like it steals my breath
like a midnight train it just keeps coming
I'm stuck on the tracks there ain't no turning back

So whhyyy do I still love you?
And wheere do I go from here?
I don't know so tell me
Whyyy do I keep trying?
when it's all over but the crying

Guess I should've seen the warning signs
I think about the little luck in your eyes
before I watch your head lights driving
slowly away there's nothing left to do or say

So why do I still love you?
And wheere do I go from here?
I don't know so tell me
Whyyy do I keep trying?
when it's all over but the crying

Dying trying to find a waaay to let you go
So why do I still love you
and wheere do I go from here
I don't know
And whyy do I keep trying when it's all over but the crying
It's all over but the crying
Crying...
