

# He's Got a Hold On Me

Bonnie Tyler

No matter how hard I try  
No matter how many days go by  
I really can't make this feeling go away  
Whenever I change my mind  
Whenever I turn my head around  
The only one I can see every single day

He's got a hold on me  
Nothing I can say  
Nothing I can do  
He's got a hold on me  
And pretty soon he may  
Have a hold on you

Whenever he's somewhere else  
I try to remember if I can  
When if only I could forget  
I think I'd be just fine  
I wonder where he came from  
I wonder what name he answers to  
Whatever he calls himself  
I'd like to call him mine

He's got a hold on me...

It could be my low resistance  
And you can all be as smug as hell  
But you all better keep your distance  
Unless you wanna get burnt as well

Whenever he walks on by  
And looks at me then I know  
That he is never letting go

He's got a hold on me...
