

Here Am I

Bonnie Tyler

Here am I in love again clinging to your arms again
Wondering why I wanted to be free
Here am I next to you wondering what we ought to do
Can't afford to lose it all again

Here am I, there are you, we nearly broke our hearts in two
Would have been the worst thing in the world
When I thought that we could live apart
I must have been crazy, what a fool I was
What a fool from the moment you got in my heart
I should have known baby, but now I know, oh!

Here am I in love again clinging to your arms again
Wondering' why I wanted to be free
When I thought that we could live apart
I must have been crazy, what a fool I was
What a fool from the moment you got in my heart
I should have known baby, but now I know, oh!

Here am I in love again clinging to your arms again
Wondering' why I wanted to be free
Here am I next to you wondering' what we ought to do
Can't afford to lose it all again
Here am I in love again clinging to your arms again
Here am I, there are you, we nearly broke our hearts in two
Would have been the worst thing in the world
