

## I Believe In Your Sweet Love

Bonnie Tyler

\*\*If you want my love  
You've only got to take it  
And if you get my heart  
Do anything but break it

And if you wanna know the truth  
I think about you only  
And whatever I'm doin'  
You're never out of my mind

\*Oh I believe in your sweet love  
Oh I believe in your sweet love

There's a way you've got  
Something in the mixture  
As the night goes on  
You could become a fixture

\*repeat

Oh I, I ,I believe  
Oh I, I, I believe

\*\*repeat

\*repeat

I believe in your sweet love  
I, I, I believe, oh I, I, I believe  
Oh I believe, I believe in your sweet lovin'  
I, I, I believe...
