I Put A Spell On You

I put a spell on you Because you're mine Ah, you'd better stop the things that you do I ain't lying, no I ain't lying

I just can't stand it baby The way you're always running 'round I just can't stand it The way you always put me down Yeah, I put a spell on you Because you're mine You're mine, you're mine, you're mine

I put a spell on you Because you're mine You'd better stop the things that you do Lord knows, I ain't lying No, no, no, I ain't lying

I just can't stand it The way you always put me down I just can't stand it The way you're always running 'round I put a spell on you, ha ha Because you're mine You're mine, you're mine

Ain't lying... I love you, I love you, oh anyhow I don't care if you don't want me I'm yours anyhow I put a spell on you Because you're mine Because you're mine You're mine Because you're mine
