

Lord Help Me

Bonnie Tyler

I wake up in the middle of the night
in the middle of a sweet dream
tell me what I am supposed to do
when I wake up in the middle of the night
when you've got those blue eyes I try to fight the fire but I'm consumed

It's a game that I'll never seem to weeeear
I swear I wouldn't but here I go again.
Lord help me I'm falling love
Lord help me there's no way out but I can't get enough
I'm standing on the ship that's going down
you said swing the chair and precede
well I'm down on my knees
Lord help me
Ohh Lord help me

I can't help but a river that's right
because I've been treated right, treated wrong
but maybe this time I've seen the light
turn another cheek to the other danger signs
but now it's too late I have to say I've been over my head
It's a heavenly mess I'm in, I swear I wouldn't but here I go again!

Lord help me I'm falling love
Lord help me there's no way out but I can't get enough
I saved myself but I don't know how
you said swing the chair and precede
down on my knees
Lord help me
Ohh Lord help me

you said swing the chair and precede
can't you see that I'm down on my knees
Tonight I'm begging PLEASE!

Lord help me I'm falling in love
Lord help me there's no way out but I can't get enough
I'm standing on the ship that's going down
you said ask and I shall be redeemed
well I'm down on my knees
Lord help me!

Oh lord help me!
Looord help me!
Yeahh
