

# Making Love Out Of Nothing At All

Bonnie Tyler

I know just how to whisper  
And I know just how to cry  
I know just where to find the answers  
And I know just how to lie

I know just how to fake it  
And I know just how to scheme  
I know just when to face the truth  
And then I know just when to dream

And I know just where to touch you  
And I know just what to prove  
I know when to pull you closer  
And I know when to let you loose

And I know the night is fading  
And I know the time's gonna fly  
And I'm gonna tell you everything I gotta tell you  
But I know I gotta give it a try  
And I know the roads to riches  
And I know the ways to fame  
I know all the rules and then I know how to break them  
And I always know the name of the game

But I don't know how to leave you  
and I'll never let you fall  
And I don't know how you do it  
Making love out of nothing at all

Out of nothing at all ...

Every time I see you all the rays of the sun  
Are streaming through the waves in your hair  
And every star in the sky  
Is taking aim at your eyes like a spotlight

The beating of my heart is a drum and it's lost  
And it's looking for a rhythm like you  
You can take the darkness from the pit of the night  
and turn into a beacon burning endlessly bright

I gotta follow it  
Cause everything I own, now  
It's nothing till I give it to you

I can make you find your power  
I can make you loose your fear  
I can make your body do some very magical things  
I'll make your inhibitions all disappear

I can make tonight forever  
or I can make it disappear by the dawn  
And I can make you every promise that has ever been made  
And I can make all your demons be gone

But I'm never gonna make it without you  
Do you really wanna see me crawl

And I'm never gonna make it like you do  
Making love out of nothing at all

Out of nothing at All
