

## Say Goodbye

Bonnie Tyler

Somewhere inside is burning  
I don't know why it's hurting  
Hoping for just one sign in your eyes  
That tells me you will be still  
Where can I go to find you?  
What must I do to feel you?  
Always looking, but too blind to see  
You were there, right by my side

Say goodbye, I'll never forget  
Say goodbye, I believe in the day  
Say goodbye, our hearts could beat both together  
'Cause we, we'll find a way...one day

What can I do, to hold you  
Now that I know, I love you  
Never found that our hearts felt the same  
'Til the cold light of day stole our dreams

Say goodbye, I'll never forget  
Say goodbye, 'cause I believe in the day  
Say goodbye, our hearts could beat both together  
'Cause we, we'll find a way...

Say goodbye, I'll never forget  
Say goodbye, I believe in the day  
Say goodbye, our hearts could beat both together  
'Cause we, we'll find a way  
We will find a way  
We will find a way  
We will find a way
