

Send Me The Pillow

Bonnie Tyler

Memories of happy years
Are all I have - When you're not here
Oh I wish I could hold you in my arms again
Rain is such a lonely sound
Falling softly to the ground
Oh I wish I could hold you in my arms again
I need to hold you near - so until then

R: Send me the pillow that you dream on
Send me a love line to your heart
Oh babe, I know that you're the only one
Darling, if I must stay here without you
Oh, send me the pillow that you dream on
Send me your love straight from the heart
Always forever baby - I love you
Darling, if I must stay here without you

Lonely nights - I dream of you
Of all the things - that we would do
Oh I know - I will hold you in my arms again
Think of how it used to be
Laying here next to me
Oh I know - I will hold you in my arms again
I long for you - But darling until then

R: Send me the pillow that you dream on...
