Total Eclipse Of The Heart

Bonnie Tyler

Turnaround, Every now and then I get a little bit lonely and you're never co ming round

Turnaround, Every now and then I get a little bit tired of listening to the sound of my tears

Turnaround, Every now and then I get a little bit nervous that the best of a ${\tt ll}$ the years have gone by

Turnaround, Every now and then I get a little bit terrified and then I see t he look in your eyes

Turnaround bright eyes, every now and then I fall apart Turnaround bright eyes, every now and then I fall apart

Turnaround, Every now and then I get a little bit restless and I dream of so mething wild

Turnaround, Every now and then I get a little bit helpless and I'm lying lik e a child in your arms

Turnaround, Every now and then I get a little bit angry and I know I've got to get out and cry

Turnaround, Every now and then I get a little bit terrified but then I see the look in your eyes

Turnaround bright eyes, every now and then I fall apart Turnaround bright eyes, every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong

Together we can take it to the end of the line Your love is like a shadow on me all of the time I don't know what to do and I'm always in the dark We're living in a powder keg and giving off sparks

I really need you tonight Forever's gonna start tonight (Forever's gonna start tonight)

Once upon a time I was falling in love But now I'm only falling apart There's nothing I can do A total eclipse of the heart

Once upon a time there was light in my life But now there's only love in the dark Nothing I can say A total eclipse of the heart
