

# Wild Love

Bonnie Tyler

Darlin', every night I keep wonderin'  
What I'm not doin' right  
The fire's burnin' bright  
And you look so, oh so good tonight

R1: I've been tryin' to make yon happy  
For such a long time  
Workin' hard to keep you  
So much it's a crime  
Give me what I want  
'Cause I'm losin' my mind for your

R2: Wild love  
All I want is your wild love  
Give me a taste of your wild love  
While I'm making love to you

Somewhere in your eyes  
There's a lovelight that you just can't disguise  
Darlin', darlin', darlin', every night  
I still wonder what I'm not doing right

R1: I've been tryin' to make yon happy...

R2: Wild love... (2x)

Oh yeah, oh baby, oh

R2: Wild love...

Makin' love to you  
Makin' love to you  
Oh yeah, ooh

R2: Wild love...

Wild love, wild love  
Give me a taste or your wild love  
While I'm makin' love to you  
Oh yeah, give me, give me more or your

R2: Wild love...
