

You're The Greatest Love

Bonnie Tyler

You've got the look of love
Oh from heaven above
Your cool blue eyes
Are killin' me
I'm hooked on you
You're my fantasy

When two hearts collide
There is no place to hide
Tell me your dreams
I'll tell you mine
To lose this love
Would be a crime

R: You're the greatest love
 (The) Greatest of all
 I'll be there whenever you call
 You're my one and only
 Baby, when I'm lonely
 Just the thought of you
 It drives me wild

R: You're the greatest love...

I saved my heart for you
See what a love can do
A lonely night
In the tough old town
It breaks my heart
When the lights go down

Oh make it sweet, I'm dyin'
There'd be no reason why
Tell me your dreams
I'll tell you mine
To lose this love
Would be a crime

Oh 'cause it's the greatest love
The greatest of all
I'll be there whenever you call
You're my one and only
Baby, when I'm lonely
Just the thought of you
It drives me wild

R: You're the greatest love...

Don't stop lovin'
Don't stop tryin'
Yeah I'll give my heart
You'll never see me cryin'
Don't stop lovin'
Don't stop at all
I'll always be around
Whenever you fall

R: You're the greatest love... (2x)

You're the greatest love
