Lincoln said, in this piece here, he says... he frees the slave s; he said, "All slaves in armed rebellion." The slaves. Now unders tand one point: the African is not a slave, that's one point that they d idn't realize when they were writin this. The African is not a slave . The African has a history far more advanced than this nineteenninety history we're in right now. He's not a slave. Lincoln's ultim ately sayin now you were born a slave, you'll always be a slave, and all I will ever see you as is a slave, and I free you.
