

# Jack Of Spades

Boogie Down Productions

\* was also featured in the movie "I'm Gonna Get You Sucka"

Again we start, let me say my part  
About the only guy who has some heart  
It took some time for the heart to come  
but it's HERE, and everybody's in fear  
Crashin through the door of that WHORE  
Bringin a end to this gold chain WAR  
What you saw, KRS-One is now seeing  
Another fly human being  
Making, no excuses for the losers  
Chain-snatchers, pimps, drug abusers  
You don't like it but you gotta keep PUSHIN  
until somebody starts MUSHIN  
all these suckers, claimin to rule the environment  
(Nah man, I ain't buyin it)  
You seem to think that everybody can be taught  
that everyone else can be bought  
But, you took a short, cause one guy hasn't been paid  
He is the Jack of Spades!

\* D-Nice scratches "Jack.. Jack.." \*

He's a, calm kind of guy, courageous and loyal  
But don't let the temper boil  
Cause just like a pot when the whistle blows  
(That's right boy, anything goes!)  
The crime is committed and he's right on your tail  
There's no bail, not thinkin bout jail  
All the ends, are justified by the means  
when Jack's on the scene  
Track the movement, don't lose it  
cause if he come through the back, he ATTACKS  
CRACK, cocaine, cops, and more fiends  
who all get the same in the heat of this gold chain GAME  
Here is the aim --  
destroy all the stereotypes, hypes, and crack pipes  
We don't like, criminals, and crime --  
but we don't pay it any mind  
So here comes Kung-Fu, Joe, and Fly Guy  
Slade, Hammer, and Slammer  
I, am a, renegade teacher and scholar  
If you ain't up on it you GOTTA  
fall to the back of the line  
Hear this rhyme, cause I'ma say it one more time  
It's JACK'S theme song that KRS made  
It's called the Jack of Spades!

\* D-Nice scratches "Jack.. Jack.." \*

You know, the Jack of Spades is now down with the BDP Posse  
If you wanna see more, just watch me  
MAN, do what I do, throw your hands in the air  
And scream it out, ohh yeah "OHH YEAHHH!!"  
One more time! "OHH YEAHHH!!"  
(Flash the rhyme!)  
Cool, guy, loud and quiet

If your head's in the way, he'll FLY IT  
Don't try it, cause Jack of Spades doesn't BUY IT  
He's a one man riot  
Cleanin the community, of all it's debris  
The C-R-I-M-E  
The road was long and scary and some didn't make it  
The average guy couldn't take it  
But JACK, is not, the average guy  
He took a piece of the pie and BIT IT  
Got with it, for his brother he DID IT  
So you gotta admit it  
This is a martyr, a soldier, a hero  
WHY? Because he started from zero  
In this battle he clearly understands their power  
They're payin people by the hour  
to sell, to lie, to try, to stand up and deny  
they are gettin everybody HIGH  
High on a cable, cash under the table  
Currency is how they're able  
to buy the cops and props and keep the law PAID  
But here comes the Jack of Spades!

\* D-Nice scratches "Jack.. Jack.." \*

Break it down!
