

## Word From Our Sponsor

Boogie Down Productions

This is a test  
Of the boogie down production  
Prevention against sucka MC's  
In the event of a real emergency  
You would have been instructed  
On which jams to play  
And how loud to blast your radio  
And now, a word from our sponsor

I'm from the Bronx, blast master KRS-One  
Provin' that my job ain't done until I get some  
More, no need to roar or yell  
Cos I can still tell what will sell  
And would have sold without yellin over a drum roll  
That style is old, so unfold  
Blossom, bloom, you got the room  
So go ahead and consume  
A new era, KRS-One comes better  
Bite another lyric? never  
Cos I'm too clever, however  
I own my own label  
Partners with Scott Larock, he's on the turntable  
And partner lee smith  
I'm exercising a true gift just to uplift  
Hip-hop, hip-hop  
My voice is like a monster  
And now a word from our sponsor

Two, three, four, five, sex, seven, eight, nine, ten  
I gotta start this rhyme again  
How many words can I find that rhyme  
And still keep in mind every lyric must come out on time  
Not many but I have plenty  
Scott Larock sent me just to devastate any  
One, any daughter, any son that comes my way  
Hey, you got to go the other way  
I represent my DJ Scott Larock  
D-nice, the beat box  
I only wear Nike's, not Adidas or Reeboks  
Many people know me, yet I'm known by few  
My name is KRS-One, son  
Not two or three or four or five or six  
The mix is on Scott Larock and Scott Larock is on the mix

Cool like the air we breathe  
Inhale, exhale, perpetrators will fail  
As sure as my name is "blastmaster KR's"  
Sit and listen to the very essence of this tale  
From the days of prison I have uprisen  
To my family members I'm marked down as missin'  
Listen, circumstances put me right in the street  
With the will to survive, get paid, eat, and sleep  
Some weep, or should I rather say some cry  
Can't get by so later on they die  
Because the strong will survive  
The weak will perish  
Ignorance is a poison and knowledge will nourish

I love what I got and like what I had  
I'm glad, not sad, and I don't even get mad  
I get even, myself and some others I believe in  
Cos these others are my brothas and perfection we're achievin'  
Yes, my name is KRS, my brother is a rasta  
Let me pause, and now a word from our sponsor
